Portfolio

WORK EXPERIENCE

EasyBuy marketplace 2024-2025

Frontend Developer

- Led the complete migration of the entire frontend codebase from plain CSS to Tailwind CSS, establishing a unified design system, improving development speed and consistency across the platform.
- Played a key role in preparing and successfully launching the product: implemented critical user-facing features (product cards, filters, cart, checkout flow), optimized performance, and ensured pixel-perfect responsive design on all devices.

SKILLS

- JavaScript Typescript
- PostgreSQL MongoDB
- Vite Next.js Express.js
- Docker AWS Github Actions
- Git Figma Jest Playwright
- Shadcn UI Tailwindcss React Bits
- TanStack Query Redux Toolkit

EDUCATION

Computer Science 2022 - 2025

Taras Shevchenko National University of Kyiv
