DP Portfolio

PROFILE

Passionate Frontend Developer with over a year of experience building responsive and dynamic web applications. Proficient in JavaScript, TypeScript, React, Next.js, and Tailwind CSS-, with hands-on experience integrating various APIs.

Solved 100+ LeetCode & Codewars challenges, sharpening problem-solving and algorithmic thinking. Always eager to learn and push the boundaries of modern web development.

My Diplomas

- JavaScript Data Structures & Algorithms
- The Complete JavaScript Course 2025: From Zero to Expert
- CSS - The Complete Guide 2025 (incl. Flexbox, Grid & Sass)
- Mastering TypeScript - 2025 Edition
- The Ultimate React Course 2025: React, Next.js, Redux & More

Education

Taras Shevchenko National University of Kyiv (KNU)
Sep 2022 — Jan 2026
